Congratulations! You are now part of the Digital Sign Guys / Big Screen Channel Network for Digital Age Marketing!

Your company's message will be broadcasted to over and over on a daily basis! With such a high-volume of guaranteed viewer-ship, it is extremely important to Digital Xpressions that your business portrays the highest quality of visual impact!

In order to achieve that goal, we want to take a brief moment to review the three points of Digital Marketing and to also bring up the importance of the images that clearly represent your products and/or services;

What do you do / what is your tag line

Your Logo

Contact Info— Phone, Street Address, City and Website

Your Digital Sign Guys / Big Screen Representative will gather a few items from you for the purpose of creating your marketing display, and for best image quality on the Big Screens, you can email your logo and images digitally to:

media@digitalxpressions.com

Please take a moment and complete the enclosed form and return it to your Digital Sign Guys / Big Screen Channel Representative.

Marketing Display

These simple steps can help you maximize your business exposure!

Be Consistent!

All Your business material should all have the same look and feel—and a pure reflection of your business!

Your LOGO!

Use it on all your material

Your WEBSITE!

It should be professional in look—and stay consistent with your print material. It should Entice a Potential Customer to look further—to build TRUST with your business.

Your TAG-LINE!

If you don't have one, it's time to make one! Use it on all your business material—and even your phone message!
